

3 Shelf Stainless Steel Assembly Guide

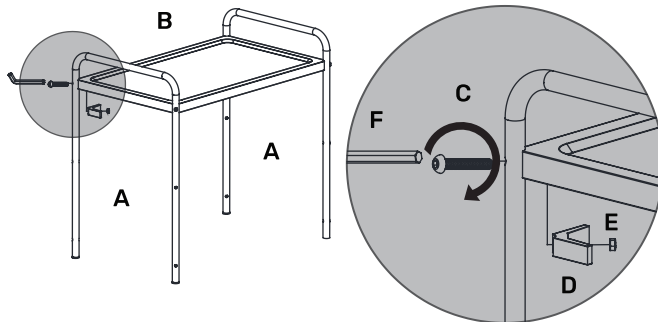

Assembly Tip: Do not fully tighten the screws until the cart is fully assembled.

Cleaning Guide: Avoid bleach. With a soft cloth, clean using a mild soap and water, hydrogen peroxide, or isopropyl alcohol. Dry after cleaning.

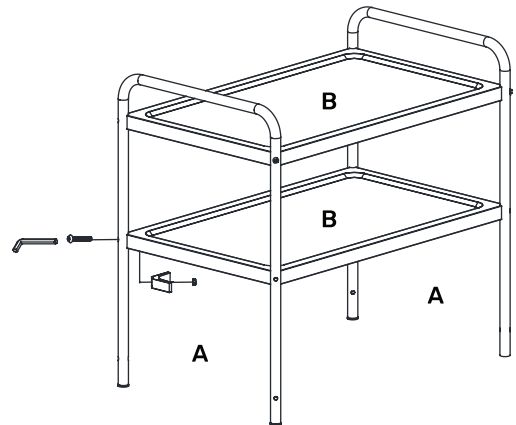

Part List:

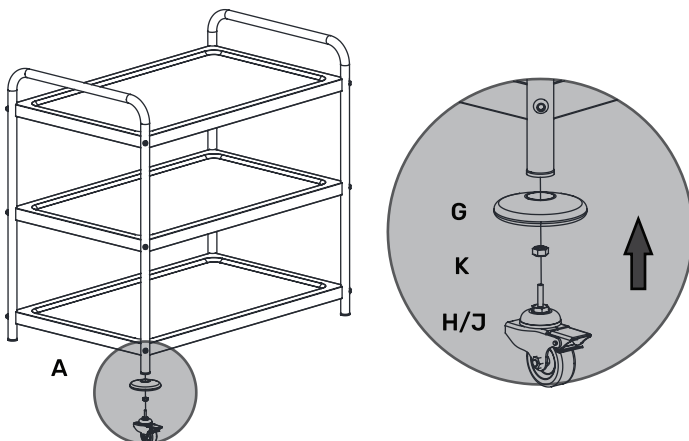

- 1** Using Allen wrench (F), attach the shelf (B) to the tube frames (A) with 4 screws (C), 4 locking nuts (E) inserted into 4 corner brackets (D).

- 2** Repeat step 1 for the middle and bottom shelves.

- 3** Thread the adjustment nut (K) on the casters (H & J) until tight. Push the plastic bumper (G) onto the frame (A), and thread casters (H & J) to the frame (A). Secure with the wrench.

- 4** Place the cart on a level surface and tighten all the hardware using the Allen wrench (F) and the wrench.
