CHMC005: 16-Bay USB Type-C® Open Charging Cart Assembly Instructions

ASSEMBLY INSTRUCTIONS:

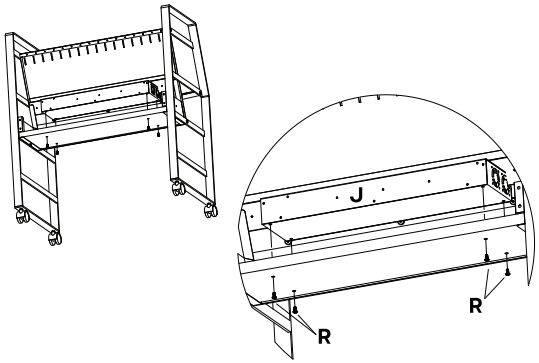
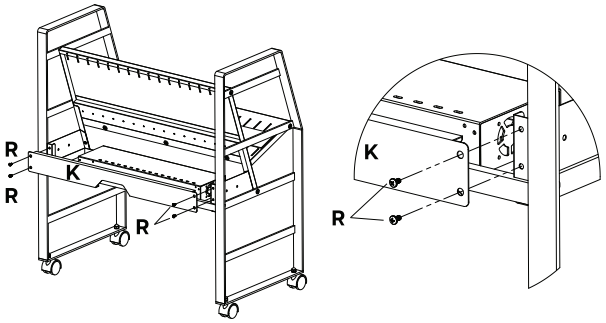
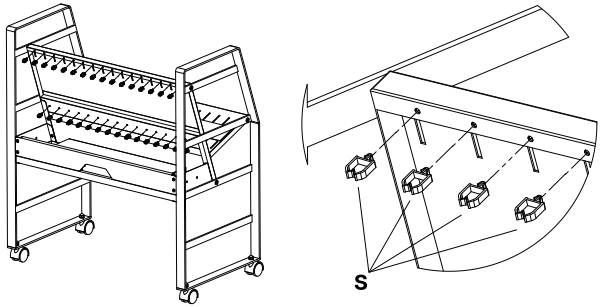
7 Attach the USB Type-C® Power Strip (**J**) to the Lower Tray Panel (**I**) as shown using four Small Frame Screws (**R**).



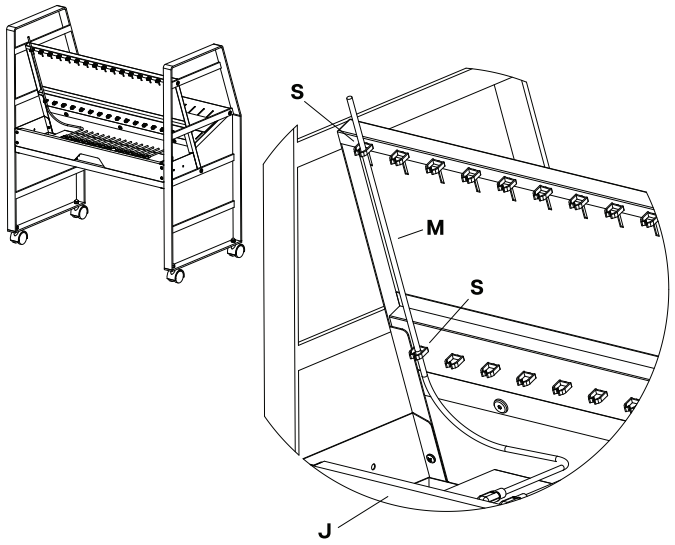
8 Attach the Tray Front Panel (**K**) using four Small Frame Screws (**R**).



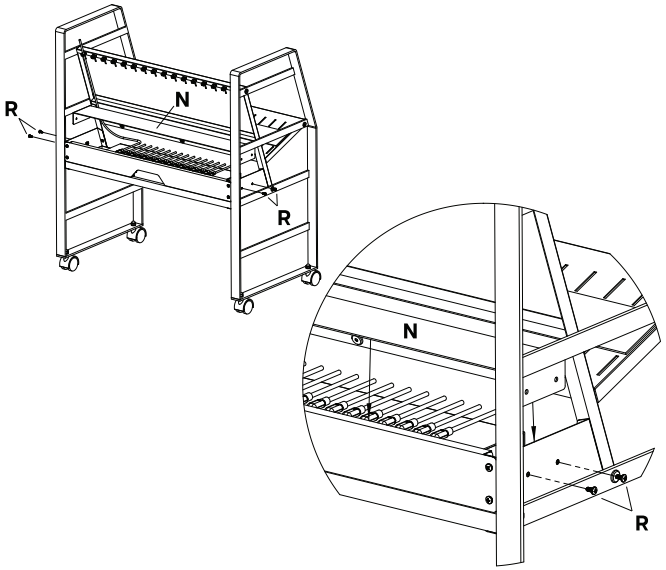
9 Insert 32 Cable Clips (**S**) into the holes on the back of the Rear Shelf Panel (**F**) as shown.



10 Insert a USB Type-C® Charging Cable (**M**) into the far left port on the USB Type-C® Power Strip (**J**). Route the cable through the left set of Cable Clips (**S**). Repeat the process for the remaining 15 USB Type-C® Cables (**M**).



11 Attach the Security Bracket (**N**) as shown using four Small Frame Screws (**R**).



12 Insert 17 Device Dividers (**L**) into the slots on the Shelf Assembly as shown.
