

LUXORTM ENDURA[®] XL

Utility Carts

Built for Higher Load Demands

Endura[®] XL adds extra strength for bulkier equipment and higher-capacity tasks. Its lightweight HDPE/PVC construction makes handling heavy loads easy, while reinforced shelving helps maintain stability under heavier weight. Built to resist rust, scratches, dents, and stains, Endura[®] XL is ideal for environments needing dependable transport for larger items without added complexity or maintenance.

Built for Scale

Handles bigger items with confidence.

Long-Term Resilience

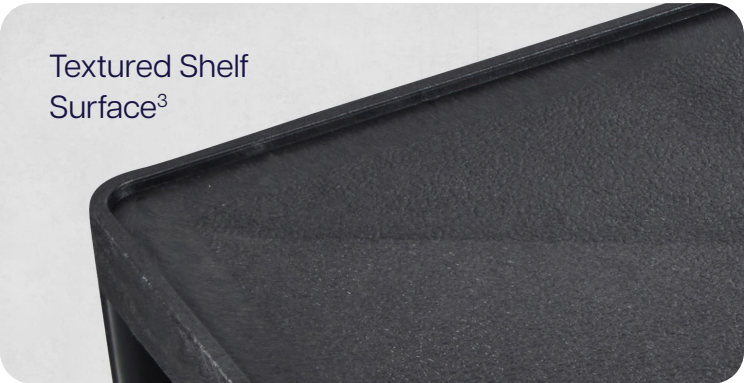

Materials stay strong over time.

Controlled Transport

Solid structure improves load stability.
