Industrial Collection
Reseller Toolkit

This reseller toolkit contains all the resources you need to inform your customers about the **Industrial Collection**, empowering them to make informed purchase decisions.

For more information, please contact one of our Sales Representatives.

Industrial customers need equipment they can rely on in demanding environments. Luxor's Industrial Collection delivers proven solutions built to perform where work happens every day.

This collection is designed for operations-focused buyers who value durability, reliability, and efficiency.

THE INDUSTRIAL COLLECTION

Industrial customers are asking for equipment that actually holds up on the floor. They want tools that can handle tough environments, heavy use, and the day-to-day realities of warehouse, manufacturing, and facilities work.

Luxor's Industrial Collection is built for those conversations. It gives you durable, mobile solutions that are easy to position and easy for your customers to trust.

Key Benefits

**Heavy-duty durable
Construction**

**Battery-powered
workstations**

**Mobility that supports
active workflows**

**Keeping tools
accessible and
organized**

Equip Your Facility with Industrial-Ready Solutions

Hi **[Name]**,

I wanted to pass along an industrial equipment collection that's been working well for teams dealing with daily movement, heavy use, and busy floor operations.

Luxor's Industrial Collection includes durable carts and mobile workstations designed to support everyday tasks without getting in the way. It's a solid option for customers who need equipment that holds up and keeps work moving.

Teams typically use this collection to:

- Move materials and equipment across warehouse floors
- Support active workstations and production tasks
- Keep tools and supplies organized in high-traffic areas

You can explore the full collection, specs, and configurations here:
