

LUXOR™

Adjustable-Height Large-Capacity Flat-Panel TV Stand

Elevate Your Viewing

Create a clean, flexible display setup that works the way you need it to. This adjustable-height flat panel TV stand makes it easy to position large screens for better visibility, move between spaces with ease, and maintain an organized, clutter-free environment. It's built to support your setup so you can focus on presenting, collaborating, or sharing content without distraction.

Features:

- Supports large 40" to 80" flat panel displays
- Durable steel construction for long-term use
- Adjustable height for comfortable screen positioning
- Integrated cable management keeps cords organized
- Smooth-rolling casters with locking brakes for stability
- Accessory shelf keeps AV equipment within reach
